

MEDI CAPTURE

MediCap[®] MVR Lite

The MediCap[®] MVR Lite is the medical industry's most advanced and compact Full HD Medical Video Recorder. The MVR Lite is the ideal solution to the industry's demand for medical grade recorders that are affordable, robust, and offer the highest quality in video recordings.

HD Medical Video Recorder

Record Full HD video from your endoscope, arthroscope, surgical camera, ultrasound, etc. New state-of-the-art recording platform records Full 1080p at 60 frames per second.

Compact and robust

This rugged MVR features a stainless steel case and fluid resistant front panel. The compact size allows limitless mounting and installation options.

Intuitive Use

It's so easy, no training is needed. Just plug it in and go. You'll be recording HD videos within minutes of opening the box.

Medical Imaging Made Easy[™]
